

DARTS HILL ARTIST IN RESIDENCE

JUNE 2021

Willa Downing is passionate about both science and art. Formerly a research scientist, she now makes art in her South Surrey studio. Her work is often inspired by nature, science and mathematics. Recently she has become reacquainted with ceramics, curious about using a permanent and solid material to express the ephemeral and transient.

DARTS HILL
• Garden Park •

**WILLA WILL BE
USING CLAY, EN
PLEIN AIR, TO EX-
PLORE PLANT LIFE
AND LANDSCAPE
AT DARTS HILL
GARDEN**

WHEN

**Fridays and Saturdays in
June.**
